Part III DETAILED ACTION

1. Claims 2-5 and 9-10 are pending.

Claim Rejections - 35 USC § 102

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. § 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless --

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

3. Claim 9 stands rejected under 35 U.S.C. § 102(b) as being anticipated by Kim et al. (U).

Applicant's arguments filed 3-5-03 have been fully considered but are not found persuasive.

Applicant states they spoke to one of the event coordinators to establish the date the abstract book was made available. However, a letter signed by the event coordinator would be required to establish independent verification of the meeting book availability. The arguments of counsel cannot take the place of evidence in the record. In re Schulze, 145 USPQ 716, 718 (CCPA 1965). It is noted, such a letter will be reviewed in an after-final filed 37 CFR 1.116. Lastly, the 35 USC 102(a) rejection has been removed with the filing of the declaration.

4. Applicant has questioned the objection of claim 10. Claim 10 depends upon a rejected claim, claim 9, however if all the limitations of claim 10 were rolled up into base claim 9, the claims would be found allowable.

5. Claims 2-5 have been found allowable.

6. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for response to this final action is set to expire THREE MONTHS from the date of this action. In the event a first response is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event will the statutory period for response expire later than SIX MONTHS from the date of this final action.
